

20th February 2019

“To Whom So Ever It May Concern”

This is to certify that M/s Aquatech Systems Asia Private Limited , Pune, Maharashtra, India, successfully surveyed, designed, constructed, erected, tested, commissioned and completed the 10 MLD Sewage Treatment Plant on turn-Key basis for the New Airport Terminal. Mumbai, Maharashtra.

The plant is an integration of a biological treatment (based on SBR technology) followed by Ultrafiltration (UF- QUA Make) and Reverse Osmosis (RO) system. Treated water is used and distributed for the airport’s various purposes.

The performance of plant and M/s Aquatech during execution and during O&M period is satisfactory.

Plant is successfully running since 4 years. We have O&M contract with M/s. Aquatech for the STP.

Plant is being operated & maintained by M/s. Aquatech.

Thanking You,

Yours Faithfully,

Pravind Kumar
Gen. Manager (E&M),
